3th HKQAA Wine Storage Management Systems Certificate Presentation Ceremony

Invitation

To cope with the robust growth of wine-related business activities in Hong Kong, HKQAA has partnered with the industry to develop the HKQAA Wine Storage Management Systems Certification Scheme for the wine supply chain. The scheme has been championed by the industry and a significant number of wine storage facilities have already been qualified for certification.

To recognize their hard-earned accomplishment, we are going to organize the 3rd HKQAA Wine Storage Management Systems Certificate Presentation Ceremony on 4 November 2011. It is our great pleasure to invite you to this event.
