

2nd HKQAA Wine Storage Management Systems Certificate Presentation Ceremony cum Seminar

Invitation

To cope with the robust growth of wine-related business activities in Hong Kong, Hong Kong Quality Assurance Agency (HKQAA) has partnered with the industry to develop the HKQAA **Wine Storage Management Systems Certification Scheme** for wine storage companies and wine retailers, which is the first of its kind in the world. The scheme has been championed by the industry and a significant number of wine storage facilities have already been awarded the certification.
