

## **Press Release**

### **Hong Kong R&D Centre for Logistics and Supply Chain Management Enabling Technologies will participate in the Innovation Expo 2007**

Hong Kong R&D Centre for Logistics and Supply Chain Management Enabling Technologies (LSCM R&D Centre) will participate in the Innovation Expo 2007 from September 14 - 18, 2007 at the Hong Kong Convention and Exhibition Centre.

The Innovation Expo 2007 is the highlight event of Innovation Festival hosted by the Innovation and Technology Commission. It is an annual event since 2005 with the goal to foster an innovation and technology culture in Hong Kong. This year of The Innovation Expo 2007 is also one of the major celebration events of the 10<sup>th</sup> Anniversary of the Hong Kong Special Administrative Region.

LSCM R&D Centre will set up a booth in the "Technology Parade" (D2) to introduce the six new funded programs and to showcase the foundation projects. Besides, Mr. Peter Li, Director, Research and Technology Development of LSCM R&D Centre, will give a speech to introduce LSCM R&D Centre on 17<sup>th</sup> September from 2:00 p.m. to 2:30 p.m.

#### **About LSCM R&D Centre**

Hong Kong R&D Centre for Logistics and Supply Chain Management Enabling Technologies (LSCM R&D Centre) was found in April 2006. It is established with funding support from the Innovation and Technology Commission and is commissioned to provide a one-stop shop for technology transfer and commercialization. It is hosted by three leading universities in Hong Kong: The University of Hong Kong., The Chinese University of Hong Kong, and Hong Kong University of Science and Technology. The aim of LSCM R&D Centre is to strengthen collaborative applied research activities between the industry and research organizations.
